INDEPENDENT AUDITOR'S REPORT

Los Angeles

Orange County

Woodland Hills

Monterey Park

Silicon Valley

San Francisco

To the Board of Directors UCLA Alumni Association Los Angeles, California

We have audited the accompanying statements of financial position of UCLA Alumni Association (a nonprofit organization affiliated with UCLA) (the "Association") as of June 30, 2012 and 2011, and the related statements of activities, changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

SingerLewak LLP

NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 1 – ORGANIZATION

The mission of the UCLA Alumni Association (the "Association"), the campus alumni association of the University of California at Los Angeles ("UCLA"), is to enrich the lives of alumni and involve them in the future of UCLA. The Association, established in 1934, is a separately incorporated, tax-exempt membership organization that provides services and benefits to members. The Association's activities, which involve alumni and student volunteers, include providing professional networking opportunities and career assistance, awarding scholarships to new and continuing UCLA students, informing alumni and friends of legislative issues in California that directly impact UCLA and the University of California and engaging UCLA students through a Student Alumni Association. The Association's Alumni Awards program recognizes distinguished members of the UCLA community. The Association also supports approximately seventy UCLA alumni groups, regional clubs and professional school organizations that promote the general welfare of UCLA.

NOTE 2 – BASIS OF PRESENTATION

The Association and certain other support groups of UCLA are closely connected operationally and financially. As such, the Association is required to adhere to rules and guidelines contained in the University of California Policy on Support Groups, Campus Foundations and Alumni Associations. For example, the Association occupies a facility on the UCLA campus. The employees of the Association are employees of UCLA but are charged back to the Association by UCLA, and UCLA makes payment of certain expenses on behalf of the Association, which are later reimbursed by the Association. These financial statements include only those transactions either incurred directly by or charged by UCLA to the Association.

UCLA and the Association are both engaged in alumni relations. The efforts made by the Association to UCLA alumni relations are not charged directly to UCLA. In turn, in pursuit of its comprehensive effort to serve the alumni of UCLA, UCLA and other support groups provide the use of personnel, facilities and assets to the Association and do not charge for said services. Accordingly, these financial statements do not reflect either the benefits provided to or received from UCLA to serve the alumni relations program as each group, including the Association, bears the expense for these costs. Furthermore, in their effort to manage alumni relations, certain key officials of UCLA have ex-officio positions on the Association's board of directors.

On behalf of UCLA, the Association administers approximately \$20.8 million in endowments held at The UCLA Foundation, mostly funded by private philanthropy. In that effort, the Association awarded 730 scholarships providing approximately \$1.1 million in scholarships and grants during the year ended June 30, 2012.

The scholarships are funded through The UCLA Foundation to UCLA students and, as such, are not reflected on the Association's financial statements.

(A NONPROFIT ORGANIZATION AFFILIATED WITH UCLA)
NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

The accompanying financial statements are presented using the accrual basis of accounting.

Cash and Cash Equivalents

Cash equivalents consist of short-term, highly liquid investments that are readily convertible into cash and were purchased with maturities of less than three months.

Prepublication Costs

The Association capitalizes the salary and other costs incurred in the creation of the UCLA History Book. The Association regularly reviews the recoverability of the capitalized costs based on expected future revenues. The History Book was completed and has been fully marketed in fiscal year 2012. For the years ended June 30, 2012 and 2011, the Association wrote off \$157,678 and \$0 of capitalized costs, respectively. The amount written off represents the excess of the capitalized costs in relation to the reassessment of expected future revenues.

In future years, the Association will continue to write down the capitalized costs in an amount equal to or greater than the actual revenue recognized during each year, also factoring in any relevant reassessment of expected future revenues. The prepublication costs are expected to be fully amortized in four years and are included in prepaid expenses and other asset line item in the accompanying statements of financial position.

Investments

In order to maximize investment income, the Association's investments are pooled with other investments of UCLA-affiliated entities and are held in trust under The UCLA Foundation. The Association's interest is determined through a unitization process based on the market value of the assets placed in the pool by each participant. Investment income and net realized and unrealized gains and losses are allocated equitably based on the number of units assigned to each participant.

Deferred Revenue

Advances received under long-term contractual agreements are recognized as earned based on the terms of the agreement.

Membership Revenues

Membership dues, which include annual memberships, life memberships and installments on life memberships, are recorded as revenue when received.

During the years ended June 30, 2012 and 2011, the Association recorded an accrual for its paying life memberships revenue of \$129,961 and \$130,396, respectively.

(A NONPROFIT ORGANIZATION AFFILIATED WITH UCLA)
NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentrations of Credit and Market Risk

Cash and cash equivalents generally consist of cash, mutual funds and money market funds. These funds are primarily held in three financial institutions, are uninsured except for the minimum Federal Deposit Insurance Corporation ("FDIC") coverage and have original maturity dates of three months or less. On January 1, 2010, two of the Association's banks exited the Federal Deposit Insurance Corporation's Transaction Account Guarantee Program (the "Program"). The FDIC is providing unlimited insurance coverage on non-interest-bearing accounts, and funds held in interest-bearing transaction accounts are insured up to \$250,000. The Association believes its credit policies do not result in significant adverse risk and historically has not experienced any credit-related losses. As of June 30, 2012 and 2011, no bank balances were uninsured.

The Association holds significant investments in the form of short-term and long-term investment pools held by The UCLA Foundation, a related party. Credit risk is the failure of another party to perform in accordance with the contract terms. The Association is exposed to credit risk for the amount of the investments. The Association has never sustained a loss on any investment due to non-performance and does not anticipate any non-performance by the users of the securities.

As investments accounted for 96% and 95% of the Association's assets at June 30, 2012 and 2011, respectively, the Association is exposed to significant market risk, which is the risk of changes in value of a financial instrument caused by fluctuations in interest rates, foreign exchange rates and equity prices. The Association's investments are professionally managed, and the assets in the Endowed Investment Pool are allocated as follows:

	2012	2011
Equities	29%	30%
Fixed income	12%	12%
Real estate	9%	7%
Alternative investments	50%	51%

The alternative investments include private equity, venture capital, oil and gas, timber, distressed debt and hedge fund strategies.

Income Taxes

The Association is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the Revenue and Taxation Code of the State of California. However, certain activities of the Association are subject to unrelated business income taxes. The Association appropriately provides the details of such activities in its annual tax return.

(A NONPROFIT ORGANIZATION AFFILIATED WITH UCLA)
NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes (Continued)

The Association has adopted Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic No. 740, "Uncertainty in Income Taxes" ("ASC 740"). In accordance with ASC 740, the Association recognizes the impact of tax positions in the financial statements if that position is more likely than not to be sustained on audit, based on the technical merits of the position. To date, the Association has not recorded any uncertain tax positions. The Association recognizes potential accrued interest and penalties related to uncertain tax positions in income tax expense. For the years ended June 30, 2012 and 2011, the Association did not recognize any amount in potential interest and penalties associated with uncertain tax positions. At June 30, 2012, the open tax years for the Association were 2007 to 2011.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. Actual results could differ from those estimates.

Fair Value Measurements

The Association adopted FASB ASC Topic No. 820, "Fair Value Measurements and Disclosures" ("ASC 820") (formerly SFAS 157), at the beginning of the 2010 fiscal year, and there was no material impact to the financial statements. ASC 820 applies to all assets and liabilities that are recognized or disclosed at fair value on a recurring basis. ASC 820 defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. In addition to defining fair value, ASC 820 expands the disclosure requirements around fair value and establishes a fair value hierarchy for valuation inputs.

The statement requires that assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

(A NONPROFIT ORGANIZATION AFFILIATED WITH UCLA)
NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the determination of which category within the fair value hierarchy is appropriate for any given instrument is based on the lowest level of input that is significant to the fair value measurement. The Association's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the instrument.

At June 30, 2012 and 2011, the Association's financial instruments consisted primarily of cash and cash equivalents, accounts receivable, prepaid expenses and other assets, liabilities to the University of California, Los Angeles, accounts payable, accrued expenses and other liabilities, which are all stated at carrying value, which approximates fair value due to the short maturity of these instruments.

Cash and cash equivalents are financial assets and are primarily classified within Level 1.

Recently Adopted Accounting Pronouncements

In January 2010, the FASB issued Accounting Standards Update ("ASU") No. 2010-06, "Fair Value Measurements and Disclosures (Topic 820)" ("ASU 2010-06"). This guidance amends the disclosure requirements related to recurring and nonrecurring fair value measurements and requires new disclosures on the transfers of assets and liabilities between Level 1 and Level 2 of the fair value measurement hierarchy, including the reasons and the timing of the transfers. Additionally, the guidance requires a rollforward of activities on purchases, sales, issuance and settlements of the assets and liabilities measured using Level 3 measurements. The adoption of this guidance did not have a material impact on the Association's financial statements.

Recently Issued Accounting Pronouncements

In May 2011, the FASB issued ASU No. 2011-04, "Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs," to converge the guidance in US GAAP and International Financial Reporting Standards ("IFRSs"). The amended guidance changes several aspects of the fair value measurement guidance in ASC 820. In addition, the amended guidance includes several new fair value disclosure requirements, including among other things, information about valuation techniques and unobservable inputs used in Level 3 fair value measurements and a narrative description of Level 3 measurements' sensitivity to changes in unobservable inputs. For nonpublic entities, the amended guidance must be applied prospectively for annual periods beginning after December 15, 2011. The Association is in the process of assessing the effect that the guidance will have on its financial statements.

(A NONPROFIT ORGANIZATION AFFILIATED WITH UCLA)
NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 4 - INVESTMENTS

The Alumni Association invests its funds with The UCLA Foundation in order to maximize the return on its investments. The Association holds investments in both The UCLA Foundation's Endowed Investment Pool and its Unendowed Investment Pool.

The Endowed Investment Pool has a long-term investment horizon and consists principally of equity securities, bonds, mutual funds and alternative investments, which are managed in a unitized investment pool. The alternative instruments include hedge funds, private equity and venture capital. Monthly investment income and realized and unrealized gains and losses are allocated equitably based on the units owned by each participant at the beginning of each month. The fair values of the investments in this category have been estimated using the net asset value per share of the investments. At each month-end, a fair value unit price is established based on the value of endowed pool assets (end of month) divided by the total number of pool units at the beginning of the month. Investors who wish to purchase units or sell existing units can only do so at month-end at the aforementioned fair value price. The Endowed Investment Pool is considered Level 3 due to unobservable markets. Management established the fair value of Level 3 investments through monitoring of fund activities for the investments held by The UCLA Foundation. There are no restrictions on the redemptions of these investments, but the redemption must be approved by the board of directors.

The Unendowed Investment Pool has a short-term investment horizon, consists of investments in the UC Regents Short-term Investment Pool and is considered Level 2 due to similar items in active markets. The fair values of the investments in this category have been estimated using the net asset value per share of the investments. Management established the fair value of Level 2 investments at the pool's net asset value of \$1 per unit. There are no restrictions on redemptions of these investments.

The Association's investments were classified by level within the valuation hierarchy as follows:

	As of June 30, 2012				
	Total	Level 1	Level 2	Level 3	
Endowed Investment Pool Unendowed Investment Pool	\$ 14,358,159 <u>325,228</u>	\$ - -	\$ - 325,228	\$ 14,358,159 	
Total investments	<u>\$ 14,683,387</u>	<u>\$</u>	\$ 325,228	<u>\$ 14,358,159</u>	
	_	As of June	e 30, 2011		
	Total	Level 1	Level 2	Level 3	
Endowed Investment Pool Unendowed Investment Pool	\$ 15,112,953 389,690	\$ - -	\$ - 389,690	\$ 15,112,953 	
Total investments	\$ 15.502.643		\$ 389.690	\$ 15.112.953	

(A NONPROFIT ORGANIZATION AFFILIATED WITH UCLA)
NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 4 – INVESTMENTS (Continued)

The changes in Level 3 assets and liabilities measured at fair value on a recurring basis are summarized as follows:

Balance, June 30, 2011	<u>\$ 15,112,953</u>
Balance, June 30, 2010 Realized losses Unrealized gains Purchases, sales, issuances and settlements, net	\$ 13,390,373 (122,574) 1,515,414 329,740
Balance, June 30, 2012	\$ 14,358,159 Endowed Investment Pool
Balance, June 30, 2011 Realized losses Unrealized losses Purchases, sales, issuances and settlements, net	Endowed Investment Pool \$ 15,112,953
	En alassa d

As of June 30, 2012, the Organization recorded changes in unrealized losses for Level 3 investments of \$692,465. As of June 30, 2011, the Organization recorded changes in unrealized gains for Level 3 investments of \$1,515,414. They were reported in net realized and unrealized gains (losses) on investments in the statements of activities.

The Association's financial assets that are valued using the fair value practical expedient of net asset value in accordance with ASC 2009-12 Topic 820 are summarized as follows:

	Fair Value June 30, 2012	Redemption Frequency	Redemption Notice Period
Endowed Investment Pool	<u>\$ 14,358,159</u>	Daily – annually	1 – 90 days
Total	<u>\$ 14,358,159</u>		

(A NONPROFIT ORGANIZATION AFFILIATED WITH UCLA)
NOTES TO FINANCIAL STATEMENTS
June 30, 2012 and 2011

NOTE 4 – INVESTMENTS (Continued)

		Fair Value June 30, 2011	Redemption Frequency	Redemption Notice Period
Endowed	Investment Pool	<u>\$ 15,112,953</u>	Daily – annually	1 – 90 days
Total		<u>\$ 15,112,953</u>		

NOTE 5 – GRANT PAYABLE

During the years ended June 30, 2012 and 2011, the Association made the sixth and fifth installments of \$60,000, respectively, on an irrevocable pledge in the amount of \$600,000 to the Regents of University of California on behalf of UCLA to support construction of the UCLA Donor Wall in the Court of Philanthropy. The irrevocable pledge is to be paid over a ten-year period discounted at 5%, in annual installments of \$60,000, with the first payment made in June 2007. The present value of the future payments at the applied discount rate at June 30, 2012 and 2011 were \$212,757 and \$259,769, respectively.

NOTE 6 – RELATED PARTY TRANSACTIONS

The Association routinely transacts with UCLA, which generally includes expense chargebacks for expenses paid by UCLA on behalf of the Association. As further described in Note 2, such transactions resulted in a payable to UCLA at June 30, 2012 and 2011 of \$658,635 and \$403,696, respectively.

The Association received \$7,496 and \$83,000 of revenue from Bruin Woods during the years ended June 30, 2012 and 2011, respectively. In addition, the Association maintains a cash account for the benefit of the guests of Bruin Woods.

NOTE 7 – SUBSEQUENT EVENTS

Management evaluated all activity of the Association through October 25, 2012, which is the date the financial statements were available to be issued, and concluded that no material subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
