The Wolves and Wildlife of Yellowstone

A 7-DAY WINTER WONDERLAND ADVENTURE

Dear UCLA Alumni and Friends,

Join us on an extraordinary winter adventure: a seven-day wildlife expedition to Yellowstone—North America's best wolf-watching habitat.

Dressed magnificently with frost and snow, and with visitors few and far between, experience the park when its beauty is more untouched by the outside world than any other time of the year. Hushed and magical landscapes are the setting for steaming geysers, trees covered in ice crystals, and the movements of bison, elk, pronghorn, bighorn sheep, and other wildlife—followed closely by the park's wolves.

Safari aboard custom vehicles with expert naturalists as we explore and learn about the animals, ecosystem, hydrothermal activity, and history of the park. Experience a private sleigh ride through the National Elk Refuge and meet an award-winning wildlife photographer for a presentation during a visit to his gallery. Each evening, overnight in atmospheric hotels and a park lodge.

This is a small-group expedition and space is limited. With significant savings of more than \$600 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

This will be our third Wolves and Wildlife tour in the last couple of years. Always receives great reviews from our travelers.

Sincerely,

Christel Aragon
Director, UCLA Alumni Travel
