**Discovery**

**AHI Connects: Italian Coffee and Café Culture.** At one of the city's oldest cafés, delve into the social rituals behind Italy's passion for coffee and learn how favorite choices are prepared and served.

**Florence Walk.** Explore the glorious Cradle of the Renaissance with your guide. Visit the Cathedral of Santa Maria del Fiore and gaze up in awe at the intricate façade, distinctive dome and striking bell tower designed by Giotto. At the octagonal Baptistery, view the bronze doors that Michelangelo called the Gates of Paradise. Traverse the Arno River by way of the charming Ponte Vecchio, and linger in the Piazza della Signoria, the city's political heart since the 14th century. The stately Palazzo Vecchio, the Fountain of Neptune and graceful statues within an open-air loggia add to the historic beauty of this picturesque square. Relax and survey the colorful scene at a café on the piazza.

**Accademia Visit.** With a private guide, tour this famed Florentine museum that houses Michelangelo's incomparable statue of David, as well as paintings and sculptures by legendary artists and an exquisite group of rare, antique musical instruments.

**Chianti and San Gimignano.** Chianti is a dreamy vision of quiet back roads, lovely hillside towns, woodlands and, of course, vineyards. Travel to its heart to visit Castello di Monsanto, built in 1750. Taste wines produced from handpicked Sangiovese, Canaiolo and other grapes. After lunch in the area, head next to the hill town of San Gimignano, a UNESCO World Heritage site that boasts 14 medieval tower-houses and a wealth of wonderfully preserved squares, palaces and fountains.

**Uffizi Gallery.** Follow the evolution of Italian art from the 13th to the 16th centuries in the Uffizi's grand halls, which contain some of the world's most acclaimed masterpieces.

**Colle di Val d'Elsa and Siena.** In the Elsa River valley, meander on Colle's small lanes and delight in its noble houses and medieval tower houses. Next, a local chef will show you how to cook like Tuscans do, then you get to enjoy the mouthwatering results for lunch! Afterward, journey to Siena, bathed in a rose-pink glow and remarkably unchanged since the Middle Ages, that shines with gorgeous Gothic gems like its dramatic, striped cathedral which you will visit. Step into one of Europe's finest piazzas, the shell-shaped Piazza del Campo, and learn about its importance to the city. Pause by the Gaia, or Joyful, fountain to see its pretty, bas-relief sculptures.
