MARCH 29–APRIL 1, 2022
DEAR UCLA ALUMNI AND FRIENDS,

Behold the Southern Hemisphere’s dazzling evening skies on an exclusive expedition to Chile and Argentina with UCLA Nobel Prize-Winning Laureate, Andrea Ghez. Go behind the scenes to meet astronomers who are peering deeper into the universe than ever before. Through special permission, we’ll see the Vera C. Rubin Observatory with the world’s largest digital camera fabricated for optical astronomy, the Gemini South 8.1-meter telescope, and the SOAR 4.1 telescope. We’ll also enjoy a private entry to see Las Campanas Observatory where the Giant Magellan Telescope is being built which will have a higher resolution than the Hubble or Webb Space Telescopes. In the evening we’ll travel to El Pangue Observatory in Vicuna to view the pristine skies ourselves.

Your adventure continues as you travel to the Swiss-like town of Pucón in the Andean foothills of Chile’s Lake District. Here will enjoy a full-day excursion to the Villarrica Volcano and then cross through a mountain pass and monkey puzzle tree forest to San Martin de Los Andes. Spend the day exploring the UNESCO World Heritage site of Lanín National Park. Next, drive the scenic “Route of the Seven Lakes” to the alpine town San Carlos de Bariloche with stunning views of Lake Nahuel Huapi and the Andes. Gather this evening for a stargazing party with Professor Ghez using large amateur telescopes. Our tour ends in cosmopolitan Buenos Aires where we’ll enjoy a tango show, visit the Galileo Galilei planetarium, and tour the city’s varied and colorful neighborhoods.

For those wishing to extend their stay, a pre-trip to Easter Island is offered as well as a post-trip to Iguazu Falls.

Regards from Westwood

Andrea M. Ghez, professor of Physics & Astronomy and Lauren B. Leichtman & Arthur E. Levine chair in Astrophysics, is one of the world’s leading experts in observational astrophysics and heads UCLA’s Galactic Center Group. Her groundbreaking work has provided the best evidence to date for the existence of supermassive black holes and has opened a new approach to understanding these exotic objects. In 2020 Andrea was awarded the Nobel Prize in Physics by the Royal Swedish Academy of Science. She has received numerous other honors and awards including the Bakerian Medal from the Royal Society of London, a MacArthur Fellowship, election to the National Academy of Sciences, the American Academy of Arts & Sciences, and the American Philosophical Society.
TUESDAY, MARCH 15
U.S. / Santiago
Depart from your home city on an overnight flight to Santiago the capital of Chile. (MEALS ALOFT)

WEDNESDAY, MARCH 16
Santiago / La Serena
Arrive this morning in Santiago and take a morning flight to La Serena, home to some of the world’s most advanced telescopes. Transfer to our hotel overlooking the ocean. This evening gather for a festive welcome dinner. HOTEL CLUB LA SERENA (D)

THURSDAY, MARCH 17
Gemini South, SOAR, and Vera C. Rubin Observatories
This morning visit enjoy exclusive visits to the Gemini South Telescope, Southern Observatory for Astrophysical Research (SOAR), and the Vera C. Rubin Observatory all located on the peak of Cerro Pachon, an 8,900-foot-high mountain in northern Chile. The Gemini Observatory is an 8.1-meter telescope and the adjacent SOAR a 4.1-meter aperture telescope. The Vera C. Rubin Observatory, currently under construction, is an 8-meter-class telescope coupled to a 3.2 gigapixel camera—the world’s largest digital camera ever fabricated for optical astronomy. All visits are pending final confirmation. This evening we will observe the night skies at El Pangue Observatory using powerful premium amateur telescopes. HOTEL CLUB LA SERENA (B, L, D)

FRIDAY, MARCH 18
Magellan Project / Las Campanas Observatory / Santiago
We’ll travel north of La Serena by road to Las Campanas Observatory in the Chilean Andes for a day-long tour of the Magellan Project site and the two 6.5-meter optical telescopes that are housed there. See the Giant Magellan Telescope (GMT) construction site which is scheduled to be completed in 2027. The GMT will use seven of the world’s largest mirrors as primary mirror segments, each approximately 8.42 meters (27.61 ft) in diameter and have a higher resolution than the Hubble or Webb Space Telescopes. Visits are subject to final confirmation. We fly this evening to Santiago. HOTEL CLUB LA SERENA (B, L)

SATURDAY, MARCH 19
Santiago / Temuco / Pucón
This morning we’ll fly south to Temuco and transfer to Pucón, a small town embedded in the Andes foothills. A city tour will introduce us to Pucón and Villarrica located on the shores of Lake Villarrica and the snowcapped Villarrica Volcano. After dinner, we’ll enjoy the evening at a thermal hot spring. HOTEL PUCÓN GREEN PARK (B, L, D)

SUNDAY, MARCH 20
Pucón
Today, we’ll enjoy a full-day excursion to Villarrica Volcano and Lagoon. A walk at the base of Volcano Villarrica will give you a beautiful view over the lakes Villarrica, Colico, Caburgua, and Calafquén. HOTEL PUCÓN GREEN PARK (B, L)

MONDAY, MARCH 21
Pucón / San Martin de Los Andes
We’ll cross from Chile through a mountain pass and an Araucaria (commonly called the monkey puzzle tree) forest into Argentina. Unique to Chile and Argentina each monkey puzzle tree could be up to a thousand years old. They haven’t changed much in over 200 million years when dinosaurs roamed the earth. Arrive in San Martin de los Andes a charming town in a beautiful setting on the edge of Lago Lacar, with attractive chalet-style architecture. HOTEL LOI SUITES HOTEL CHAPELCO (B, L, D)

TUESDAY, MARCH 22
San Martin de Los Andes
This morning travel to Quila Quina a village located on the shore of Lacar Lake. Here we’ll embark our boat and sail through Lacar and Nonthue Lake to reach the Hua Hum River. We’ll pass through Paraje Trompul where a Mapuche community lives. Once in Nonthue Lake, we will disembark. There we’ll walk through a trail to reach...
Chacin waterfall that has a drop of almost 100 feet. Back onboard our boat, we will continue the trip towards Hua Hum River. During our return, we will make our last stop at Quila Quina dock to have lunch while we enjoy the wonderful view of Lacar Lake. After lunch return to San Martin de los Andes Pier.

**WEDNESDAY, MARCH 23**

**San Martin de Los Andes**
We’ll depart on an exploration of Lanín National Park, a UNESCO World Heritage Site located in the Andes in the province of Neuquén. A true hiker’s paradise, Lanín National Park is famous for its incredible biodiversity and the wide variety of species to be found within its borders, such as pudú (a kind of small deer), Andean condor, trout, etc. The majority of the park is covered with huge forests of conifers, amongst which are some splendid Araucaria or monkey puzzle trees. The park is also home to a population of indigenous Mapuche people, who are responsible for managing and maintaining it.

LOI SUITES HOTEL CHAPELCO (B, L, D)

**THURSDAY, MARCH 24**

**San Martin de Los Andes / Bariloche**
Enjoy a magical drive along the Seven Lakes Road that winds its way through forested valleys, snow-capped mountains, abundant waterfalls, and around azure lakes and links the town of San Martin de los Andes with Bariloche. In the evening join Professor Ghez for a stargazing party to learn more about the skies of the Southern Hemisphere. Several amateur telescopes will be set up for observations. DESIGN SUITES BARiloCHE HOTEL (B, L)

**FRIDAY, MARCH 25**

**Bariloche**
Travel just outside of Bariloche to Cerro Campanario which stands more than 1,000 meters above the city. Here we’ll take a chairlift to the top to enjoy 360-degree panoramic views of the area. From this viewpoint, you can see Lake Nahuel Huapi and the snow-capped Andes. Next, we’ll stop at Cerveceria Patagonia located at the base of Cerro Lopez and which offers its artisanal beers together with phenomenal views of Lake Nahuel Huapi and the Andes Mountains.

DESIGN SUITES BARiloCHE HOTEL (B, L)

**SATURDAY, MARCH 26**

**Bariloche / Buenos Aires**
Depart this morning on a flight to Buenos Aires. In the afternoon we’ll visit the Galileo Galilei planetarium with its huge 20-meter dome located in the Palermo district of the city.

LOI SUITES RECOLETA HOTEL (B, BOX LUNCH)

**SUNDAY, MARCH 27**

**Buenos Aires**
After breakfast, we’ll explore the Natural History Museum in La Plata. We’ll focus on the museum’s collection of large mammal fossils from the third and fourth periods of the Cenozoic Era, fossils found in the Pampas region of northern Argentina. In the evening, gather for dinner and then enjoy a tango performance at Gala Tango, one of the most authentic tango venues in Buenos Aires.

LOI SUITES RECOLETA HOTEL (B, L, D)

**MONDAY, MARCH 28**

**Buenos Aires / U.S.**
This morning we’ll explore Buenos Aires and its iconic neighborhoods including Plaza de Mayo, the National Cathedral, and Casa Rosada (the Presidential Palace). We’ll see La Boca with its colorful tin houses and walk along the mythical street of Caminito. Then we’ll explore, bohemian San Telmo, one of the oldest neighborhoods in Buenos Aires, and tour Puerto Madero formerly the port area of the city. We’ll head north and stop at San Martin Square, surrounded by elegant French architecture. We end our tour in the traditional neighborhood of Palermo strolling along its large parks, rose gardens, and lakes, and enjoy a festive farewell lunch. Transfer to the international airport for a flight back to the U.S. and home.

OVERNIGHT FLIGHT (B, L)

**TUESDAY, MARCH 29**

**Arrive Home to U.S.**
Arrive this morning in the U.S. and connect to your home airport.

**OPTIONAL PRE-TRIP EXTENSION**

**Easter Island**
MARCH 10–16, 2022
Located 2,600 miles west of Santiago in the South Pacific Ocean, this mysterious island has a visual impact few places in the world can equal. Hundreds of moais, tight-lipped basalt statues unique in the whole of Oceania, are scattered throughout the island. Accommodations on Easter Island are at Explora Rapa Nui which offers the only truly high-end accommodation. The extension includes one night at Plaza El Bosque Ebro on arrival, one night at the Holiday Inn Airport Hotel on your return from Easter Island and three nights at the Explora Rapa Nui on Easter Island, all excursions, breakfast in Santiago on return and all meals and an open bar at the Explora, transfers, guides and gratuities to Explora staff at Easter Island are included. Airfare to Easter Island is not included. Rates are based on a minimum of eight guests.
WHAT TO EXPECT

This exclusive expedition is designed for UCLA Alumni and friends who are interested in learning about astronomy as well as the history, culture, wildlife, geology, and superb natural landscapes of Chile and Argentina. Walks will be from one to two miles and at times over rocky, dusty, and uneven terrain and at high elevations. The visits to the Vera C. Rubin, Gemini, and SOAR observatories are at approximately 8,737 feet and the Las Campanas Observatory is at approximately 7,810 feet (all pending final confirmations). Travel is during the Southern Hemisphere’s fall. Average temperature ranges are as follows: Santiago, 82°F to 49°F, La Serena, 70°F to 56°F, Pucón, 73°F to 46°F, Bariloche and San Martin de los Andes, 65°F to 37°F, and Buenos Aires, 82°F to 67°F. This is a relatively active program with some early departures and drives up to four hours. To enjoy this experience, participants must be in good physical and mental health and be able to keep up with the pace of the group. Travelers should be able to walk unassisted up to two miles a day. There will be some stair climbing and unpaved trails over uneven terrain and cobblestone sidewalks. Since some travel will be in remote areas, everyone must be flexible concerning time schedules, food, insects, weather, and dust. The order of activities may change due to local conditions or to take advantage of unexpected opportunities. Program participants requiring extraordinary assistance must be accompanied by someone who can and will provide all required assistance. Travel is by jet aircraft, boat, and motorcoach.

PROGRAM COST INCLUDES

All accommodations and meals as specified in the itinerary • Wine with welcome dinner and farewell lunch • In-tour flights within Chile and Argentina (Santiago / La Serena; Santiago / Temuco; and Bariloche / Buenos Aires) provided increases in the in-tour airfare ($425 per person) after the initial pricing of this program are not included • All activities per itinerary • Professional English speaking guides and tour director throughout • Transportation by private motorcoach and boat • Airport transfers for group flights • Tips to local guides and drivers • Service charges and taxes • Baggage handling • Entrance fees • Pre-departure information • Coordination and administration.

CANCELLATIONS AND REFUNDS: Cancellations must be received in writing by the UCLA Alumni Association from the participant. For new enrollments paying a deposit in 2021, cancellations received before December 10, 2021, will receive a full refund. The aforementioned refund policy only applies to new reservations and does not apply to credits from any postponed travel program. Cancellations received on or after December 10, 2021, are subject to a 100% penalty of all deposits and payments, regardless of booking date. There are no refunds for unused meals, accommodations, or other trip features.

CHANGES IN ITINERARY: The itinerary is subject to change at the discretion of Royal Adventures.

RATES: Tour costs are based upon current airfares, tariffs, and currency values. While we do everything possible to maintain the listed prices, they are subject to change.

INSURANCE: We highly recommend the purchase of trip cancellation insurance. Information about insurance will be provided by the UCLA Alumni Association upon confirmation. Neither the UCLA Alumni Association nor Royal Adventures accepts liability for any airline cancellation penalty incurred by the purchase of a non-refundable airline ticket or other expenses incurred by tour participants in preparing for the tour. “Cancel for Any Reason” insurance coverage must be purchased within 14 days following the date of trip confirmation.

RESPONSIBILITY: Royal Adventures, its owners, employees, or representatives, and assigns, accept no liability, therefore. UCLA Alumni Association and Royal Adventures assume no liability for any injury, damage, loss, accident, delay, or other irregularity that may be caused by the defect of any aircraft or vehicle or the negligence or default of any company or person engaged in carrying out or performing any of the services involved. Additionally, responsibility is not accepted for losses, injury, damages, or expenses of any kind due to sickness, epidemics, pandemics, pathogens, weather, strikes, local laws, hostility, wars, terrorist acts, acts of nature, quarantine, force majeure, animal or insect bites, or other such causes. All services and accommodations are subject to the laws of the country in which they are provided. If this tour is canceled due to a force majeure event or other force majeure event, only the recoverable portion of unused services or accommodations if any will be refunded or credited on a future Royal Adventures tour. A force majeure event, in relation to this tour, shall mean any circumstances beyond our control, including, but without limitation, to acts of God, explosion, flood, forceful wind, fire or accident, war or threat of war declared or undeclared, acts of terrorism, sabotage, insurrection, riots, strikes, civil disturbance, sickness, epidemics, pandemics, quarantines, government intervention or other unforeseeable events. Limitations on travel arising from the COVID-19 pandemic or other pathogens shall be considered a force majeure event. UCLA Alumni Association and Royal Adventures reserve the right to make changes in the published itinerary or to the study leaders whenever, in their sole judgment, conditions warrant, or if they deem it necessary for the comfort, convenience, or safety of the tour participants. They reserve the right to withdraw this tour without penalty. The right is also reserved to decline to accept or retain any person as a member of the tour or to substitute another qualified leader or special guest. Baggage and personal effects are the sole responsibility of the owners at all times. The price of the program is given in good faith based on current tariffs and rates and is subject to change. Any tariff, exchange rate, airfare, or fuel increases will be passed onto participants. Neither UCLA Alumni Association nor Royal Adventures accepts the liability for any airline cancellation penalty incurred by the purchase of a nonrefundable airline ticket. The air ticket when issued shall constitute the sole contract between the passenger and the airline concerned. As part of the consideration and right to participate in this tour, each participant will be asked to sign a liability release. There are no refunds for unused meals, accommodations, or other trip features. I will not hold the UCLA Alumni Association or Royal Adventures or its employees or agents responsible for any expense or loss caused by my/our failure to purchase trip cancellation and evacuation insurance coverage. As part of the consideration and right to participate in this tour, each participant will be asked to sign a liability release, assumption of risk, and hold harmless agreement.
