

The background of the entire page is a photograph of the UCLA Pritzker Center for Architecture and Design. The building is a large, multi-story structure made of red brick with terracotta tiled roofs. It features a prominent central dome with a green-tiled spire. The facade is adorned with numerous arched windows, some with decorative tracery, and a series of smaller arches along the roofline. A large tree with green and yellowing leaves is visible on the left side of the building. The sky is blue with scattered white clouds.

## PARENT & FAMILY GUIDE

## WELCOME TO THE BRUIN FAMILY

Congratulations! We are honored that your student is now officially a member of our campus community. Now is the time to delve into all that UCLA has to offer, not only FOR YOUR STUDENT but FOR YOU as well. This guide is full of information and resources to help you stay informed and navigate UCLA.

UCLA highly encourages parents & guardians to develop a relationship with your student that is based on trust and conducive to your student sharing information about college life. In other words, the best way to get information about your student is from your student directly. We recommend you utilize the “Topics to Discuss with Your Student” featured within each section of this guide for suggested areas of communication.

We wish you and your student an enjoyable experience as part of the UCLA community.

# PARENT & FAMILY INVOLVEMENT

## Parent & Family Programs

As an integral support network for your student, your involvement in their life doesn't end when college begins. Communication between you and your student may change slightly – or dramatically. But no matter how that communication shifts, the Office of Parent & Family Programs (PFP) serves as an on-campus resource for families to support their students' UCLA experience.

The PFP team communicates regularly with families via email, social media, and at events. Resources include a comprehensive **website** with tools to assist in navigating UCLA; the **Bruinlink**, a quarterly digital newsletter written by UCLA faculty, staff, students, and parents; and a dedicated **helpline** and email where families can get individual questions answered.

## Parent & Family Association

All parents, legal guardians, and other family members of UCLA undergraduate students are automatically part of the UCLA Parent & Family Association, which keeps members informed of university trends and special events and provides opportunities for involvement, from volunteering to philanthropy, on campus and regionally.

## Parent Philanthropy

As you develop a connection to UCLA, your philanthropic support is a meaningful way to improve the student experience and deepen your involvement as parents. Every gift makes a difference. The Office of Parent Philanthropy will connect your passion to your philanthropy at UCLA.

## TOPICS TO DISCUSS WITH YOUR STUDENT

  - Holidays and travel
  - How to stay connected to family
- How to encourage and be a support for your student

## FERPA & THIRD-PARTY ACCESS

### Student Privacy

UCLA recognizes that the role of parent or family member does not end once the student begins college. However, it is important to note that the U.S. Department of Education developed the Family Educational Rights and Privacy Act (FERPA) which states that once a student turns 18 or attends a school beyond the high school level, the university cannot release information about the student to anyone — even parents or other family members. FERPA's domain includes (but is not limited to) grades, disciplinary proceedings, billing, and financial aid.

While a parent/guardian understandably has an interest in their student's academic progress, they are not automatically granted access to the student's records without his or her written consent.

### Third-Party Access

In order to assist students and families in working together within the guidelines of FERPA, UCLA's MyUCLA helps students manage their own records from the time they are applicants, during their studies, and even after graduation. MyUCLA allows students to set up third-party access to certain information for parents or guardians.

Students can grant access by individual function. Third parties can view Study List, Degree Audit Report (DAR), Grades and GPA, Registration Status, Holds, BruinBill Account, Financial Aid, and Address. Students can authorize third parties to have view-only access to their student records and direct access to their BruinBill account. In addition, the student can elect to have the third party receive billing emails.

Please be advised that being granted third-party access on MyUCLA is not equivalent to having filled out a universal FERPA waiver at UCLA. Currently, there is no universal waiver form for the campus.

### To set up Third-Party Access:

Visit [my.ucla.edu](http://my.ucla.edu) and create your own logon. Your student can then grant third-party access through their settings tab.

Additional information and instruction can be found at [parents.ucla.edu/3rdpartyaccess](http://parents.ucla.edu/3rdpartyaccess).

## MULTI-FACTOR AUTHENTICATION (MFA)

The UCLA campus is now using Multi-factor Authentication (MFA), which adds an additional layer of security to your student's accounts and records.

For more information on MFA and setting it up, please visit the UCLA Information Security Office website at [it.ucla.edu/security/resources/mfa-at-ucla-enroll](http://it.ucla.edu/security/resources/mfa-at-ucla-enroll).

### TOPICS TO DISCUSS WITH YOUR STUDENT

- Family communication plan
  - What will student provide parents/family access to (i.e. grades/GPA, billing, aid, etc.)
- What open communication looks like

# FINANCES

## BruinBill

All students are assigned a BruinBill account which records all charges and payments associated with registration, housing, and transportation, as well as other service charges, like health insurance, that are assessed to students. Your student's BruinBill is available to manage nearly 24/7; login to MyUCLA and click on Finances & Jobs, and then BruinBill.

Fees are assessed monthly via BruinBill and payment is due on the 20th of the month following the posting date of the charge. If the 20th falls on a weekend or a holiday, the due date is the last business day prior to the 20th.

Each month, your Bruin will receive an automated e-Bill reminder to a designated email account (selected via the Settings section of MyUCLA).

## HOUSING & RESIDENTIAL LIFE

### On-Campus Housing/UCLA Housing Services

UCLA's undergraduate housing, known as "The Hill," is situated at the heart of campus life and is just a short walk from classrooms, laboratories, libraries, and sports facilities. As part of a diverse community of more than 11,000 undergraduates, students have many opportunities for interactions that contribute to their academic success and personal growth. Students can choose from several on-campus housing options, all of which encourage discovery and emphasize community.

### The Community Housing Office (CHO)

The Community Housing Office (CHO) provides non-university owned rental listings and rental resources to the entire UCLA community. The office maintains a database of rental listings UCLA students may search for free, which includes shared and vacant apartments, rooms in private homes, guest houses and short-term sublets.

### First Year Experience Program (FYE)

The mission of the First Year Experience Program (FYE) is to support the academic mission of the university, contribute to the creation of safe environments, promote responsible citizenship and foster student development for all new and continuing Bruins. Additionally, FYE will facilitate access and outreach to the broad variety of campus resources available to UCLA students.

UCPD sets a standard of excellence in law enforcement and serves a multicultural educational environment of over 75,000 faculty, staff and students. The department employs about 64 sworn officers, 42 civilians and 130 students.

### Bruins Safe App

Student and parents may download the Bruins Safe app at the UCLA App Store. The *Bruins Safe* app provides immediate instructions on response to various emergencies that could occur on campus. Because the app does not require an internet connection, information will always be available on your phone.

During an emergency, individuals can also go to [bso.ucla.edu](http://bso.ucla.edu) to see the appropriate emergency procedure as well as up-to-the-minute information.

### BruinAlert Text Messaging

BruinAlert is a UCLA system used to communicate official information during an emergency or crisis situation that disrupts normal operation of the UCLA campus or threatens the health or safety of members of the campus community.

Students with current email addresses on MyUCLA have been automatically enrolled in BruinAlert to receive email alerts. Students need to opt in to text alerts through BruinAlert (on MyUCLA, under "Settings").

## TRANSPORTATION

### Transportation & Parking

Student parking permits are in extremely limited supply and not guaranteed. To help students access campus and the surrounding area, UCLA Transportation offers many sustainable commuter programs. These include discounted public transit passes (nearly 50% off), a subsidized vanpool program that serves 85 Southern California communities, discounted carpool permits, and quarterly BruinBike rentals from the UCLA Bike Shop, to name a few.

Students who join a vanpool, use public transit, or are part of a three-person carpool will be eligible to register for the Bruin Commuter Club. Membership benefits include five days of discounted parking to use per quarter, emergency rides home, and more.

For those interested in applying for parking, access for a single-occupancy vehicle permit is offered on a prioritization process based on class standing, housing status, and which graduate school the student is enrolled in. Eligible carpoolers are given priority and pay a discounted permit rate. The student parking application, deadlines, and permit rates can be found on the UCLA Transportation website.
