Hello from the Spring Sing Committee!

Thank you for being patient as we navigate the switch from in-person to online – we hope you're safe and well and hanging in there. We have been communicating with our advisors and the Alumni Association regarding how to move forward with respect to UCLA's extension of remote instruction and to allow for more flexibility in the Spring Sing application process.

First, please note that **we will not be holding in-person Talent auditions for Spring Sing 2022**. We were looking forward to seeing your faces, but it's quite clear that in the interest of safety and minimizing stress, it is best to instead take a virtual approach. Applications are still due on January 14th at 11:59pm. In lieu of an in-person, live audition, please note the following changes listed below:

- **For Solo/Duets:** Please email us ([talent.springsing@gmail.com](mailto:talent.springsing@gmail.com)) a link to your audition tape (a live, unedited recording) with the Spring Sing Executive Committee by **Friday, 1/28 at 11:59pm**. \*\*\*If you have submitted your application and it already includes a live, unedited recording of the song you will perform, *you do not need to submit an additional recording*.\*\*\*
- **For A Cappella/Bands/Dance/Interdisciplinary:** Please email us ([talent.springsing@gmail.com](mailto:talent.springsing@gmail.com)) a link to your audition tape (a live recording), and/OR, if you have one, a previous performance you or your group has done to share with the Spring Sing Executive Committee by **Friday, 1/28 AT 11:59pm**.
  - \*\*Unlike Solo/Duets, live performance audition tapes are *not required* in these categories due to current guidelines around the COVID-19 pandemic. However, if admitted into the show, your group will need to create original content.\*\*

In summary, we will be using your application (1/14 11:59pm deadline) and additional video submission (1/28 11:59pm deadline) to assist us in the Spring Sing selection process. **For all email video submissions, please send with the subject line “[Act Name] Audition Recording”**. If your video is sent as a Google Drive link, please ensure that it is made accessible for those with a link.

Please don't hesitate to contact us if you have any clarifying questions. We sincerely hope you're staying safe and healthy. Good luck, and be well!

Thank you,
