

UCLA
PARENT &
FAMILY
GUIDE

CONGRATULATIONS!

WELCOME TO THE BRUIN FAMILY

Congratulations! We are honored that your student is now officially a member of our campus community. Now is the time to delve into all that UCLA has to offer, not only for your student but for you as well. This guide is full of information and resources to help you stay informed and navigate UCLA alongside your Bruin.

UCLA highly encourages parents and guardians to foster a relationship with your student that is based in trust, and encourages them to share information with you about college life. In other words, the best way to get information about your student is from your student directly. We recommend you utilize the “Topics to Discuss with Your Student” featured within each section of this guide for suggested areas of communication.

We wish you and your student an enjoyable experience as members of the UCLA community.

UCLA New Student Academic Programs
UCLA Parent & Family Association

PARENT & FAMILY INVOLVEMENT

As an integral support network for your student, your involvement in their life does not end when college begins. Be sure to utilize the following resources to stay connected to UCLA throughout the entirety of your student's undergraduate experience.

The Parent & Family Association

Communication between you and your student during college may change slightly – or dramatically. But no matter how that communication shifts, the Parent & Family Association (PFA) serves as an on-campus resource for families to understand how to navigate and support the myriad of developmental opportunities your student may encounter.

All parents, legal guardians, and other family members of UCLA undergraduate students are automatically members of the UCLA Parent & Family Association, which keeps Bruin families informed of university trends and special events and provides opportunities for involvement, from volunteering to philanthropy, on campus and regionally.

PFA serves as the first stop for UCLA-related questions and needs, providing resources like a comprehensive website with tools for navigating UCLA; Bruinlink, a quarterly digital newsletter; and a dedicated helpline and email address for parents and families. PFA also offers opportunities for parents and family members to participate in University life through a variety of volunteer opportunities.

Parent & Family Giving

As you develop a connection to UCLA, your philanthropic support is a meaningful way to improve the student experience and deepen your involvement as parents. Every gift makes a difference. The Office of Parent & Family Giving will connect your passion to your philanthropy at UCLA.

TOPICS TO DISCUSS WITH YOUR STUDENT

- **How to encourage and be a support for your student**
 - “How frequently would it be ok to check in with you?”
 - “Could we set up times to connect/check in with you?”
 - “If nearby, can we visit you? How much notice would you like?”
- **Coming home**
 - “When/how often would you like to come home?”
 - “How do we respect your independence while balancing house rules when you’re at home?”

FERPA & THIRD-PARTY ACCESS

Student Privacy

UCLA recognizes that the role of parent or family member does not end once the student begins college. However, it is important to note that the U.S. Department of Education developed the Family Educational Rights and Privacy Act (FERPA) which states that once a student turns 18 or attends a school beyond the high school level, the university cannot release information about the student to anyone — even parents or other family members. FERPA's domain includes (but is not limited to) grades, disciplinary proceedings, billing, and financial aid.

While a parent/guardian understandably has an interest in their student's academic progress, they are not automatically granted access to the student's records without the student's written consent.

The majority of your student's records are restricted (e.g., academic transcript, financial aid information, billing information, phone number, courses enrolled, grades, grade point average) and requires their consent to release or share (e.g., parents, guardians, employers).

Some elements of their records are automatically considered public information (also called directory information) that UCLA may release and publish without a student's prior consent (i.e., name, email address, major/field of study, dates of attendance, number of course units enrolled, degree and honors received, most recent previous educational institution attended, and participation in officially recognized activities including intercollegiate athletics).

A student can request their public information to be restricted. MyUCLA has a self-service "Privacy Options" feature that provides students the ability to apply or remove a restriction with their telephone number or email address from being published on the campus directory. Another option is the All Public Information Privacy where all public information elements are not released without consent, including name on the campus directory and information on commencement materials. Students who require the most restrictive privacy option can request through the Registrar's Office Message Center a FERPA restriction or full FERPA block. This overrides all other privacy options and restricts the release of all public information without student consent.

Third-Party Access

In order to assist students and families in working together within the guidelines of FERPA, UCLA's MyUCLA helps students manage their own records from the time they are applicants, during their studies, and even after graduation. MyUCLA allows students to set up third-party access to certain information for parents or guardians.

Students can grant access by individual function. Third parties can view Study List, Degree Audit Report (DAR), Grades and GPA, Registration Status, Holds, BruinBill Account, Financial Aid, and Address. Students can authorize third parties to have view-only access to their student records and direct access to their BruinBill account. In addition, the student can elect to have the third party receive billing emails.

Please be advised that being granted third-party access on MyUCLA is not equivalent to having filled out a universal FERPA waiver at UCLA. Currently, there is no universal waiver form for the campus.

TOPICS TO DISCUSS WITH YOUR STUDENT

- **Communication and information sharing**
 - “If we are paying the bill, what information would you be willing to let us have access to (i.e. grades, fees, etc.)?”
 - “How can we best keep each other up to date about what’s going on in our lives?”

CONTACTS

FERPA and Third-Party Access
parents.ucla.edu/about-us/ferpa3rd-party-access

To set up Third-Party Access, visit my.ucla.edu and create your own logon. Your student can then grant third-party access through their settings tab.

Multi-factor Authentication (MFA)
it.ucla.edu/iamucla/enroll-multifactor

The UCLA campus is now using Multi-factor Authentication (MFA), which adds an additional layer of security to accounts and records. When a **MyUCLA** logon is created, the user will be prompted to enroll in MFA.

ACADEMICS

The UCLA Degree

UCLA seeks to provide students with a liberal arts education that brings together perspectives from many fields in a unified approach to learning. After sampling many general subjects, students concentrate on one field or subject and are required to pursue it rigorously and in depth. Depending on the program of study, components of the degree may include:

- **University Requirements:**
 - > Entry-Level Writing
 - > American History and Institutions
- **College or School Requirements (varies by school):**
 - > Writing I
 - > Writing II
 - > Quantitative Reasoning
 - > Foreign Language
 - > Diversity Requirement
- **General Education (GE) Courses (varies by school)**
- **Departmental Requirements:**
 - > Preparation for the Major and Major Requirements
- **Electives:**
 - > Elective units are used to fulfill the minimum unit requirement

Counseling Units

Each school at UCLA has an academic advising unit for students to utilize. All students also may find advisors in their department of study — professional staff members who advise specific majors. Academic counseling can help students determine ways to fulfill requirements, create degree objectives, or decide on a major. New students should receive academic counseling before they enroll in classes.

Study Abroad

UCLA offers several options for students to study abroad. The UC-wide Education Abroad Program (EAP) offers students the opportunity to study in over 160 exchange programs spanning more than 40 countries. Students can spend a summer, semester, or year abroad, and courses taken may be counted towards major, minor, or GE requirements. Other options include programs through UCLA Summer Sessions and independent programs.

Undergraduate Research Centers

Conducting undergraduate research helps students explore their interests, gain experience, and develop skills. Staff in the two Undergraduate Research Centers help students find their place in the research community and provide information about undergraduate research programs.

TOPICS TO DISCUSS WITH YOUR STUDENT

- **Exploring academic majors and programs**
 - “What areas of study sound interesting to you?”
 - “What do you want to major in?”
 - “What do you enjoy most about your classes?”
- **Utilizing resources for academic support**
 - Connecting with an academic advisor
- **Managing their time in the quarter system**
 - Balancing academics and social life
- **Enhancing their education**
 - “What clubs/organizations do you want to get involved in?”
 - “What are some other ways to enhance your education (i.e. research, study abroad, etc.)?”

FINANCES

BruinBill

All students are assigned a BruinBill account which records all charges and payments associated with registration, housing, and transportation, as well as other service charges, like health insurance. Your student's BruinBill is available to manage nearly 24/7; login to MyUCLA and click on Finances & Jobs, and then BruinBill.

Fees are assessed monthly via BruinBill and payment is due on the 20th of the month following the posting date of the charge. If the 20th falls on a weekend or a holiday, the due date is the last business day prior to the 20th.

Each month, your Bruin will receive an automated e-Bill reminder to a designated email account (selected via the Settings section of MyUCLA).

Financial Aid and Scholarships Office

The Financial Aid and Scholarships Office is dedicated to helping students pursue their education by awarding scholarships, grants, and other aid to offset educational costs. There are many different types of aid available including:

- **Federal, State, and University Grants**
- **Scholarships Federal**
- **Work Study**
- **Loans**

Scholarship Resource Center

The Scholarship Resource Center was established to provide scholarship information, resources and support services to all UCLA students, regardless of financial aid eligibility. Some of the services that are available to students free of charge include:

- **Drop in scholarship counseling**
- **Scholarship books and resources**
- **Individual counseling**
- **Scholarship essay support**
- **Quarterly workshops**

ASUCLA Student Jobs

One of the easiest places for students to search for employment is through Associated Students UCLA (ASUCLA). ASUCLA employs over 1500 students across campus eateries, student union, textbook and computer stores, and many more. Benefits include:

- **Flexible schedules**
- **Work directly on campus**
- **Meal allowance**
- **Resume building**
- **Rapid promotion schedule**

Veteran Resource Center

The UCLA Veteran Resource Center provides caring and personalized support to military-connected students (active-duty, reservist, National Guard, veteran, child/partner/spouse/dependent of a veteran/active-duty service member). We help our military-connected students succeed academically at UCLA by providing peer advising, tutoring resources, scholarships, employment opportunities and career development support, graduate school preparation support, guidance on educational benefits and financial support/resources, and community building and social activities.

Additionally, if you served in the United States Armed Forces, your child may be eligible for financial support (free tuition, a stipend, or both) towards their education costs at UCLA. The UCLA Veteran Resource Center is your students' first stop to find out how to get connected to campus and all of the services we provide.

TOPICS TO DISCUSS WITH YOUR STUDENT

- *How to set a budget*
- *Having a job/working on campus*
- *Who is responsible for paying bills*
(i.e. tuition, books, entertainment, etc.)
- *Setting up a checking/savings account*
- *Loans (and what they mean)*
- *How credit cards work*

HOUSING & RESIDENTIAL LIFE

On-Campus Housing/UCLA Housing Services

UCLA's undergraduate housing, known as "The Hill," is situated at the heart of campus life and is just a short walk from classrooms, laboratories, libraries, and sports facilities. Students can choose from several on-campus housing options, all of which encourage discovery and emphasize community. Beginning Fall 2022, incoming first-year students are guaranteed four years of housing (if they want it).

Residential Life

As part of a diverse community of more than 11,000 undergraduates, students have many opportunities for interactions that contribute to their academic success and personal growth. UCLA Residential Life seeks to facilitate these interactions on The Hill. Students will connect with live-in staff like Resident Directors, Resident Assistants, and Faculty-in-Residence who form a support network in the residential community. Leadership opportunities abound on The Hill, and students will be able to engage in numerous social and co-curricular events on their floor, in their building, or in the larger Hill community.

UCLA Residential Life
Where community happens.

First Year Experience Program (FYE)

The mission of the First Year Experience Program (FYE) is to support the academic mission of the university, contribute to the creation of safe environments, promote responsible citizenship and foster student development for all new and continuing Bruins. Additionally, FYE will facilitate access and outreach to the broad variety of campus resources available to UCLA students.

TOPICS TO DISCUSS WITH YOUR STUDENT

- *Living with roommates/sharing space with others*
- *How to manage conflict*
- *Utilizing Resident Assistants (RAs)*
- *How to do laundry*
- *Building independence*

SAFETY

UCLA Police Department

The UCLA Police Department is part of the statewide UC Police system that provides quality public safety services and innovative programs to serve the university community. UCPD sets a standard of excellence in law enforcement and serves a multicultural educational environment of over 75,000 faculty, staff, and students. The department employs about 64 sworn officers, 42 civilians, and 130 students.

Bruins Safe App

Students and parents may download the Bruins Safe app which provides immediate instructions related to various emergencies that could occur on campus. Because the app does not require an internet connection, information will always be available on your phone.

During an emergency, individuals can also go to bso.ucla.edu to see the appropriate emergency procedure as well as up-to-the-minute information.

BruinAlert Text Messaging

BruinAlert is a UCLA system used to communicate official information during an emergency or crisis situation that disrupts normal operation of the UCLA campus or threatens the health or safety of members of the campus community.

Students with current email addresses on MyUCLA have been automatically enrolled in BruinAlert to receive email alerts. Students need to opt in to BruinAlert text alerts on MyUCLA (under "Settings"). Off-campus community members may follow @UCLABruinAlert on Twitter.

Transportation & Parking

Student parking permits are in extremely limited supply and not guaranteed. To help students access campus and the surrounding area, UCLA Transportation offers many sustainable commuter programs. These include discounted public transit passes (nearly 50% off), a subsidized vanpool program that serves 85 Southern California communities, discounted carpool permits, and quarterly BruinBike rentals from the UCLA Bike Shop, to name a few.

Students who join a vanpool, use public transit, or are part of a three-person carpool will be eligible to register for the Bruin Commuter Club. Membership benefits include five days of discounted parking to use per quarter, emergency rides home, and more.

For those interested in applying for parking, access for a single-occupancy vehicle permit is offered on a prioritization process based on class standing, housing status, and area from which they are commuting. Eligible carpoolers are given priority and pay a discounted permit rate. The student parking application, deadlines, and permit rates can be found on the UCLA Transportation website.

TOPICS TO DISCUSS WITH YOUR STUDENT

- **Commuting and/or having a car on campus**
 - Cost and expectations of vehicle use/ownership
 - Repair/maintenance of vehicle
- **How to use public transportation**
- **Personal safety and awareness of surroundings**
 - Walking with friends/groups
 - Communicating plans with friends or family
 - Having an emergency contact for family members (i.e. friend, roommate, etc.)
- **Living in a big city**

HEALTH & WELLNESS

The holistic health and wellness of UCLA students is important to the campus community, from eating well and staying active to managing stress. The services offered to students help them to advocate and manage their lifestyles in a healthy way via medical care, counseling, ongoing workshops, health-related outreach events, and more.

The Arthur Ashe Student Health and Wellness Center

The Ashe Center is devoted to providing quality, accessible, state-of-the-art healthcare and education to support the unique development of UCLA students. Services include Primary Care, Women's Health, Immunizations, Travel Medicine, Physical Therapy, Specialty Clinics, Optometry, Acupuncture, and Massage. Students can schedule appointments online, in person, or by phone, and can communicate with their primary care providers via secure electronic messaging. The Ashe Center also houses its own full-service Pharmacy, Laboratory, and Radiology units. Current hours and more information on their services can be found on their website.

Health Insurance Requirement

Health insurance is a condition of enrollment for all students at UCLA. The cost of the UC Student Health Insurance Plan (UC SHIP) will be automatically assessed as part of registration fees each term and includes medical, vision, dental, and behavioral health coverage. Students who have comparable health insurance may waive out of UC SHIP. Please visit the Insurance page of The Ashe Center website for more detailed information about coverage and benefits, rates, and deadlines.

Counseling and Psychological Services (CAPS)

CAPS is a multidisciplinary student mental health center for the UCLA campus, supporting the academic and student development missions of the University and the Division of Student Affairs. Services and programs include:

- Individual counseling and psychotherapy, group therapy, couples counseling, emergency intervention, and psychological testing
- Psychiatric evaluation and treatment
- Crisis consultation, mentoring programs, and organizational consultation
- Psychoeducational programs and workshops
- Campus mental health and wellness promotion

Resilience In Your Student Experience (RISE)

The RISE Center's core mission is to uplift and support every Bruin's well-being by providing the education, resources, and tools needed to foster health, healing, and hope for themselves and the world around them. As an extension of Counseling and Psychological Services (CAPS), RISE is committed to helping students build a strong foundation of resilience that includes caring for their mental wellness through daily practice.

Recreation

UCLA is frequently ranked as one of the healthiest campuses in the United States, so it is no surprise that UCLA Recreation provides extensive access to a broad range of recreational activities and services, including intramural and club sports, fitness classes, and 16 university recreational and athletic facilities. UCLA students, through their tuition and fees, have access to recreational facilities which include:

- John Wooden Center
- Bruin Fitness Center (BFit)
- Challenge Course
- Intramural Field
- Marina Aquatic Center
- Sunset Canyon Recreational Center

TOPICS TO DISCUSS WITH YOUR STUDENT

- **Health – physical, mental, emotional**
 - How to use insurance (and where to get medical care)
 - What to include in a medicine cabinet
- **What to do in an emergency and setting up emergency contacts**
- **Eating well/healthy diet/fitness**
- **Healthy sleeping habits**
- **Drugs and alcohol**
- **Relationships, sex, and sexuality**
- **Spirituality**

CAMPUS LIFE

Student Organizations, Leadership & Engagement (SOLE)

SOLE advises more than 1,000 campus organizations – there is truly something at UCLA for everyone. Students may browse these organizations and learn about getting involved at the SOLE website.

Fraternity and Sorority Life

UCLA is home to more than 65 national and local Greek-letter organizations, representing 14% of the undergraduate student population. Members of fraternities and sororities are committed to their academics, volunteerism, leadership development, and collaboration with community and campus partners.

Athletics

As the country's top overall program, UCLA Athletics are a source of pride and community, with 121 NCAA National Championships and a combined record of 22 National All-Around Excellence Awards. Students receive highly discounted tickets for football and basketball, and free entry into all other UCLA sports events. Tickets are usually purchased at the event or from the Central Ticket Office.

Volunteer Center

The UCLA Volunteer Center seeks to inspire the extended UCLA family and the community at large to create social change through lifelong participation in volunteer programs or civic engagement. The UCLA Volunteer Center is your student's first stop to find out how to get involved in community service work as a student.

True Bruin Traditions Keeper

This unique opportunity inspires students to actively engage in the variety of programs and events that make UCLA a memorable experience and culminates in earning an official UCLA medal that can be worn at graduation.

TOPICS TO DISCUSS WITH YOUR STUDENT

- *Finding and building community on campus*
- *Balancing academic life with social life*
- *Getting involved in clubs and organizations on campus*
- *Ways to give back to the community*

POLICIES

Student Conduct

As a member of the UCLA community, your student is expected to demonstrate integrity in all their endeavors. The Dean of Students is charged with investigating and adjudicating suspected violations of the Student Conduct Code, including academic dishonesty. There are also a number of other UCLA and UC policies that apply to students; students are expected to make themselves aware of and comply with the law, and with UC and campus policies and regulations.

The UCLA Student Conduct Code has been developed to maintain a safe, supportive and inclusive community that engages students in order to foster their academic success, personal growth and responsible citizenship. Students are considered to be maturing adults who are capable of making their own decisions and accepting the consequences of those decisions.

True Bruin Values

Based on the May 2005 “Statement of Ethical Values” issued by the Regents of the University of California, UCLA developed its own statement of core values. These values have been embraced as standards for the entire UCLA community of students, faculty, staff, and alumni.

As a Bruin, I commit myself to the highest ethical standards

RESPECT I will respect the rights and dignity of others.

ACCOUNTABILITY I will be accountable as an individual and member of this community for my ethical conduct.

INTEGRITY I will conduct myself with integrity in my dealings with and on behalf of the University.

SERVICE I will make an impact in our global community through public service.

EXCELLENCE I will conscientiously strive for excellence in my work.

TOPICS TO DISCUSS WITH YOUR STUDENT

- *Academic integrity*
- *Campus policies and regulations*
- *Making smart choices and understanding consequences*
- *The UCLA Student Conduct Code*
- *True Bruin Values*
